

# BARNUM FESTIVAL PRESENTS

"The Greatest Showman on Earth: P.T. Barnum"  
An Evening with Mike Allen of Amazing Tales CT.

## ABOUT THE PROGRAM

P.T. Barnum was once the wealthiest man in America, and one of the most famous residents on earth. While his riches were made primarily in New York City at his famous American Museum, it was Bridgeport that he called home during his adult years. This presentation covers both Barnum's career highlights as well as the lasting legacy that he left to Bridgeport, making a huge mark as he did on so many aspects of the city. You'll also hear Barnum's own voice, recorded before he died.
